

If we could only have this life for one (4)_____ day

Fill in the gaps

Shut the door, turn the light off	If we could only turn back time
I wanna be with you	You know I'll be
I wanna feel your love	Your life, your voice,
I wanna lay beside you	Your reason to be my love
I cannot hide this even though I try	My heart is breathing for this
Heart beats harder	Moments in time
Time escapes me	I'll (5) the words to say
Trembling hands touch skin	Before you leave me today
It makes this harder	Flashes left in my mind
And the tears (1) down my face	Going back to the time
If we could (2) have this life for one (3)	Playing games in the street
day	Kicking balls with my feet
If we could only turn back time	Dancing on with my toes
You know I'll be	Standing close to the edge
Your life, your voice,	There's a part of my clothes at the end of (6) bed
Your reason to be my love	As I feel myself fall
My heart is breathing for this	Make a joke of it all
Moments in time	You (7) I'll be
I'll find the words to say	Your life, your voice,
Before you leave me today	Your reason to be my love
Close the door	My heart is breathing for this
Throw the key	Moment in time
Don't wanna be reminded	I'll find the words to say
Don't wanna be seen	Before you leave me today
Don't wanna be without you	You know I'll be
My judgement is clouded	Your life, your voice,
Like tonight's sky	Your reason to be my love
Hands are silent	My heart is breathing for this
Voice is numb	Moment in time
Try to scream out my lungs	I'll (8) the (9) to say
But it makes things harder	Before you leave me today
And the tears stream down my face
