

## Fill in the gaps

Shut the door, (1) the light off	If we (15) only (16) back time
I wanna be (2) you	You know I'll be
I wanna feel your love	Your life, your voice,
l (3) lay (4) you	Your reason to be my love
I cannot (5) (6) even though I try	My heart is breathing for this
Heart beats harder	Moments in time
Time escapes me	I'll (17) the words to say
Trembling hands (7) skin	Before you leave me today
It (8) this harder	Flashes left in my mind
And the tears stream down my face	Going back to the time
If we could only have this life for one more day	Playing games in the street
If we could only (9) back time	Kicking balls with my feet
You (10) I'll be	Dancing on with my toes
Your life, your voice,	Standing close to the edge
Your reason to be my love	There's a (18) of my clothes at the end of your bed
My heart is (11) for this	As I feel myself fall
Moments in time	Make a joke of it all
I'll find the words to say	You know I'll be
Before you leave me today	Your life, your voice,
Close the door	Your (19) to be my love
Throw the key	My heart is breathing for this
Don't wanna be reminded	Moment in time
Don't wanna be seen	I'll (20) the words to say
Don't wanna be (12) you	Before you (21) me today
My judgement is clouded	You know I'll be
Like tonight's sky	Your life, your voice,
Hands are silent	Your reason to be my love
Voice is numb	My (22) is (23) for this
Try to scream out my lungs	Moment in time
But it (13) things harder	I'll find the (24) to say
And the tears stream (14) my face	Before you leave me (25)
If we could only have this life for one more day
