| Some nights, I stay up cashing in my bad luck, | So this is it? I sold my soul for this? |
|---|--|
| Some nights, I call it a draw, | Washed my hands of that for this? |
| Some nights, I wish (1) my lips could | I (6) my mom and dad for this? |
| (2) a castle, | No. When I see stars, when I see stars, that's all they are, |
| Some nights, I (3) they'd just fall off. | When I hear songs, they sound like a swan, so come on, |
| But I still wake up, I still see your ghost, | Oh, come on, |
| Oh Lord, I'm still not sure what I stand for oh, | Oh, come on, |
| What do I stand for? What do I stand for? | Oh, come on. |
| Most nights, I don't know anymore, | That is it, guys, that is all, (7) minutes in and I'm |
| Oh woah, oh woah oh oh, | bored again, |
| Oh woah, oh woah oh oh. | Ten years of this, I'm not sure if anybody understands, |
| This is it, boys, this is war, what are we waiting for? | This is not one for the folks at home; I'm (8) to |
| Why don't we break the rules already? | leave, mom, I had to go, |
| I was never one to believe the hype, save that for the black | Who the fuck wants to die alone all dried up in the desert |
| and white, | sun?. |
| I try twice as hard and I'm half as liked, but here they come | My heart is breaking for my sister and the con that she called |
| again to jack my style. | 'love', |
| And that's alright; I found a martyr in my bed tonight, | But when I look into my nephew's eyes, |
| She stops my bones from wondering (4) who I am, | Man, you wouldn't believe the most amazing things that can |
| who I am, who I am, | come from |
| Oh, who am I? Oh, who am I? mmm mmm | Some terrible nights. |
| Well, Some nights, I wish that this all would end, | Oh woah, oh woah, oh oh, |
| Cause I could use some friends for a change, | Oh woah, oh woah, oh oh. |
| And some nights, I'm scared you'll forget me again, | The other night, you wouldn't believe the dream I just had |
| Some nights, I always win, I always win. | (9) you and me, |
| But I still wake up, I still see your ghost, | I called you up, but we'd both agree, |
| Oh Lord, I'm still not sure what I stand for, oh, | It's for the (10) you didn't listen, |
| What do I stand for? What do I (5) for? | It's for the best we get our distance, |
| Most nights, I don't know (come on) | It's for the best you didn't listen, |
| | It's for the best we get our distance. |
