

Fill in the gaps

One More Night by Maroon 5

You and I go hard
At each other like we're going to war
You and I go rough
We keep throwing things and slamming the door
You and I get so damn dysfunctional
We stopped keeping score
You and I get sick
Yeah I know that we can do (1)_____ no more
But baby there you go again
There you go again making me love you
Baby I stopped using my head
Using my head let it all go
Now you're stuck on my body
On my body like a tattoo
And now I'm feeling stupid
Feeling stupid crawling back to you
So I cross my heart and I hope to die
That I'll (2)_____ stay with you one more night
And I know I said it a million times
But I'll only stay with you one more night
Try to tell you no
But my (3)_____ keeps on telling you yes
Try to tell you stop
But your lipstick got me so out of breath
I'll be waking up in the morning probably (4)_____ myself
And I'll be waking up feeling satisfied
But guilty as hell
But baby there you go again
There you go (5)_____ making me love you
Baby I stopped using my head

Using my head let it all go
Now you're stuck on my body
On my body like a tattoo
And now I'm feeling stupid
Feeling stupid crawling back to you
So I cross my heart and I hope to die
That I'll only stay with you one more night
And I know I said it a million times
But I'll only (6)_____ with you one more night
Yeah baby give me one (7)_____ night
Yeah baby give me one more night
Yeah baby give me one more night
Baby there you go again
There you go again making me (8)_____ you
I stopped using my head
Using my head let it all go
Got you stuck on my body
On my body (9)_____ a tattoo
So I cross my (10)_____ and I hope to die
That I'll only stay with you one more night
And I know I said it a million times
But I'll only stay with you one more night
-Yes baby give me one more time-
So I cross my heart and I hope to die
That I'll only stay with you one more night
And I know I said it a million times
But I'll only stay with you one more night
-I don't know, whatever, whatever-

Fill in the gaps

Answer

1. this
