

## Fill in the gaps

Shadows settle on the place, that you left.	and you caused it
Our minds are troubled by the emptiness.	and you caused it
Destroy the middle, it's a (1) of time.	and you caused it
From the perfect start to the finish line.	Well I've lost it all, I'm just a silouhette,
And if you're still breathing, you're the lucky ones.	A lifeless face (5) you'll soon forget,
'Cause most of us are (2) through	My (6) are damp (7) the words you left,
corrupted lungs.	Ringing in my head, when you broke my chest.
Setting fire to our insides for fun	Ringing in my head, when you (8) my chest.
Collecting names of the (3) that went wrong	And if you're in love, then you are the lucky one,
The lovers that went wrong.	'Cause most of us are bitter over someone.
We are the reckless,	Setting (9) to our insides for fun,
We are the (4) youth	To distract our hearts from ever missing them.
Chasing visions of our futures	But I'm forever missing him.
One day we'll reveal the truth	And you caused it,
That one will die before he gets there.	And you caused it,
And if you're still bleeding, you're the lucky ones.	And you caused it
'Cause most of our feelings, they are dead and they are gone.	
We're setting fire to our insides for fun.	
Collecting pictures from the flood that wrecked our home,	
It was a flood that wrecked this
