

Candles by Daughter

Fill in the gaps

That boy, take me away, into the night
Out of the hum of the street (1)_____ and into a forest
I'll do whatever you say to me in the dark
Scared I'll be torn apart by a wolf in mask of a familiar name
on a birthday card
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night
Just a young heart confusing my mind, but we're both in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene
Well I (2)_____ brittle bones it seems
I bite my tongue and torch my dreams
Have a little (3)_____ to speak with
And a (4)_____ of thoughts and secrecy
Things (5)_____ be reversed, we (6)_____ from the times we are cursed
Things (7)_____ be reversed, learn from the ones we fear the worst
And learn from the ones we hate the most how to
Blow out all the candles, (8)_____ out all the candles
"You're too old to be so shy," he says to me so I (9)_____ the night

Just a young heart confusing my mind, but we're both in silence
Wide-eyed, both in silence
Wide-eyed
Cause we both know I'll never be your lover
I (10)_____ bring the heat
Company under cover
Filling space in your sheets
Well I'll never be a lover
I only bring the heat
Company under cover
Filling space in your sheets, in your sheets
So, please just blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night
It's just a young heart confusing my mind, but we're both in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene.

Fill in the gaps

Answer

1. lights
2. have
3. voice
4. mind
5. cannot
6. learn
7. cannot
