

Candles by Daughter

That boy, take me away, into the night
Out of the hum of the street lights and into a forest
I'll do whatever you say to me in the dark
Scared I'll be torn apart by a wolf in mask of a familiar name
on a birthday card
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night
Just a young heart confusing my mind, but we're
(1)_____ in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene
Well I have brittle bones it seems
I (2)_____ my tongue and torch my dreams
Have a little voice to speak with
And a mind of thoughts and secrecy
Things cannot be reversed, we learn (3)_____ the times
we are cursed
Things cannot be reversed, (4)_____ from the ones
we fear the worst
And learn (5)_____ the ones we hate the most how to
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he (6)_____ to me so I stay
the night

Fill in the gaps

Just a young heart confusing my mind, but we're both in
silence
Wide-eyed, both in silence
Wide-eyed
Cause we both know I'll never be (7)_____ lover
I only bring the heat
Company under cover
Filling space in your sheets
Well I'll (8)_____ be a lover
I only bring the heat
Company under cover
Filling space in your sheets, in your sheets
So, please just blow out all the candles, blow out all the
candles
"You're too old to be so shy," he says to me so I stay the night
It's (9)_____ a young heart confusing my mind, but we're
both in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene.

Answer

1. both
2. bite
3. from
4. learn
5. from
6. says
7. your
8. never
9. just
