Fill in the gaps

If I'm James Dean, You're Audrey Hepburn by Sleeping With Sirens

Stay for tonight	They say that love is forever
If you want to	Your forever is all that I need
I can show you	Please stay as long as you need
What my dreams are made of,	Can't promise that things won't be broken
as I'm dreaming of your face	But I swear that I will never leave
I've been away for a long time	Please stay forever with me
Such a long time	The way that we are
And I miss you there	It's the reason I stay
I can't imagine being anywhere else	As (5) as you're here with me
I can't imagine being anywhere else but here	I know we'll be Ok
How the hell did you ever pick me?	The way that we are
Honestly, I could sing you a song	It's the reason I stay
But I don't think words can express (1) beauty	As long as you're here with me
It's singing to me	I (6) I'll be Ok
How the hell did we end up like this?	They say that love is forever
You bring out the beast in me	Your forever is all that I need
I fell in love from the moment we kissed	Please stay as long as you need
Since then we've been history	Can't promise that things won't be broken
They say that love is forever	But I swear that I will never leave
Your forever is all (2) I need	Please (7) forever with me
Please stay as long as you need	(I couldn't love just anyone, I was created to love just one
Can't (3) that things won't be broken	baby)
But I swear that I will never leave	They say that love is forever
Please stay forever with me	Your forever is all that I need
It goes to show, I hope that you know that you are	(I couldn't love just anyone, I was (8) to
What my dreams are made of	love just one girl)
Can't fall asleep, can't fall asleep	Please stay as long as you need
I lay in my bed awake, in my bed awake at night	(I couldn't love just anyone, I was created to love just one
As I dream of you	baby)
I'll fall in love, you'll fall in love	Can't promise that things won't be broken
It (4) mean everything, everything to me	But I swear that I will (9) leave
I can't imagine being anywhere else	(I couldn't love just anyone, I was created to love just one girl)
	Please stay forever with me

1. your

- 2. that
- 3. promise
- 4. could
- 5. long
- 6. know
- 7. stay
- 8. created
- 9. never
