

Fill in the gaps

If I'm James Dean, You're Audrey Hepburn by Sleeping With Sirens

Stay for tonight	They say that love is forever
f you want to	Your forever is all that I need
can show you	Please (14) as long as you need
What my dreams are made of,	Can't (15) that things won't be broken
as I'm dreaming of your face	But I (16) (17) I will (18)
've (1) away for a long time	leave
Such a long time	Please stay forever with me
And I miss you there	The way that we are
can't imagine being anywhere (2)	It's the reason I stay
can't imagine being anywhere else but here	As long as you're (19) (20) me
How the hell did you ever pick me?	I know we'll be Ok
Honestly, I could sing you a song	The way (21) we are
But I don't think words can express your (3)	It's the reason I stay
t's singing to me	As (22) as you're here with me
How the hell did we end up (4) this?	I know I'll be Ok
You bring out the beast in me	They say that love is forever
fell in love from the moment we kissed	Your forever is all that I need
Since (5) we've been history	Please (23) as long as you need
They say that love is forever	Can't promise that things won't be broken
Your forever is all that I need	But I swear that I will never leave
Please (6) as long as you need	Please stay forever (24) me
Can't promise that (7) won't be broken	(I couldn't love just anyone, I was created to love just one
But I swear that I will never leave	baby)
Please stay forever (8) me	They say that love is forever
t (9) to show, I hope that you know that you are	Your forever is all that I need
What my dreams are (10) of	(I couldn't love just anyone, I was created to love just one girl)
Can't fall asleep, can't (11) asleep	Please stay as (25) as you need
lay in my bed awake, in my bed awake at night	(I couldn't love just anyone, I was created to (26)
As I dream of you	(27) one baby)
'll (12) in love, you'll fall in love	Can't promise that things won't be broken
t could mean everything, everything to me	But I swear that I will never leave
can't (13) being anywhere else	(I couldn't love just anyone, I was created to love just one girl)
	Please stay forever with me
