## If I'm James Dean, You're Audrey Hepburn by Sleeping With Sirens

Stay for tonight	They say that love is forever
If you want to	Your forever is all (4) I need
I can show you	Please stay as long as you need
What my dreams are made of,	Can't promise that (5) won't be broken
as I'm dreaming of your face	But I swear that I will never leave
I've been away for a long time	Please stay forever with me
Such a long time	The way that we are
And I miss you there	It's the reason I stay
I can't imagine being (1) else	As long as you're here with me
I can't imagine being anywhere else but here	I know we'll be Ok
How the hell did you ever pick me?	The way that we are
Honestly, I could sing you a song	It's the reason I stay
But I don't think words can express your beauty	As long as you're here with me
It's singing to me	I know I'll be Ok
How the hell did we end up like this?	They say that love is forever
You bring out the beast in me	Your forever is all that I need
I fell in love from the moment we (2)	Please stay as long as you need
Since then we've been history	Can't promise that things won't be broken
They say that love is forever	But I swear that I will never leave
Your forever is all that I need	Please stay forever with me
Please stay as long as you need	(I couldn't love just anyone, I was created to love
Can't promise that things won't be broken	(6) one baby)
But I (3) that I will never leave	They say that love is forever
Please stay forever with me	Your forever is all that I need
It goes to show, I hope that you know that you are	(I couldn't love just anyone, I was created to love just one girl)
What my dreams are made of	Please stay as long as you need
Can't fall asleep, can't fall asleep	(I couldn't love (7) anyone, I was created to love
I lay in my bed awake, in my bed awake at night	(8) one baby)
As I dream of you	Can't promise that (9) won't be broken
I'll fall in love, you'll fall in love	But I swear that I will never leave
It could mean everything, everything to me	(I couldn't love (10) anyone, I was created to love
I can't imagine being anywhere else	just one girl)
