

## Fill in the gaps

In Penny (1) there is a barber showing	Behind the shelter in the middle of a roundabout
photographs	The pretty nurse is selling (8) from a tray
Of every head he's had the pleasure to know	And though she feels as if she's in a play
And all the people that come and go	She is anyway.
Stop and say hello.	In Penny (9) the barber shaves another customer
On the corner is a banker with a motorcar	We see the banker sitting waiting for a trim
The little children (2) at him (3)	And then the fireman rushes in
his back	From the (10) rain, very strange
And the banker never wears a mack	Penny lane is in my ears and in my eyes
In the pouring rain, very strange	There beneath the blue suburban skies
Penny Lane is in my ears and in my eyes	I sit, and meanwhile back
There (4) the blue suburban skies	Penny lane is in my ears and in my eyes
I sit, and (5) back	There beneath the blue suburban skies
In penny Lane there is a fireman with an hourglass	Penny Lane
And in his pocket is a portrait of the Queen	
He likes to keep his (6) (7) clean	
It's a clean machine	
Penny Lane is in my ears and in my eyes	
Full of fish and finger pies	
In summer, meanwhile back
