# Call Me Maybe by Carly Ray Jepsen

# Fill in the gaps

I threw a wish in the well	Hey, I just met you and this is crazy
Don't ask me, I'll never tell	But here's my number, so (6) me, mayb
I looked to you as it fell	It's hard to look right at you baby
And now you're in my way	But here's my number, so call me, maybe
I trade my soul for a wish	Hey, I just met you and this is crazy
Pennies and dimes for a kiss	But here's my number, so call me, maybe
I wasn't looking for this	And all the other boys try to chase me
But now you're in my way	But here's my number, so call me, maybe
Your stare was holding	Before you came into my life
Ripped jeans, skin was showing	I missed you so bad
Hot not, (1) was blowing	I (7) you so bad
Where you think you're going, baby?	I missed you so, so bad
Hey, I (2) met you and this is crazy	Before you came into my life
But here's my number, so call me, maybe	I missed you so bad
It's hard to look right at you baby	And you should know that
But here's my number, so call me, maybe	I missed you so, so bad
Hey, I just met you and this is crazy	It's hard to look right at you baby
But here's my number, so (3) me, maybe	But here's my number, so call me, maybe
And all the other boys try to chase me	Hey, I just met you and (8) is crazy,
But here's my number, so call me, maybe	But here's my number, so call me, maybe
You took your (4) with the call	And all the other boys try to chase me
I took no time with the fall	But here's my number, so call me, maybe
You gave me nothing at all	Before you came into my life
But still, you're in my way	I missed you so bad
I beg, and borrow and steal	I missed you so bad
Have foresight and it's real	I missed you so, so bad
I didn't know I would feel it	Before you came into my life
But it is in my way	I missed you so bad
Your stare was holding	And you should know that
Ripped jeans, skin was showing	So (9) me, maybe
Hot not, (5) was blowing	
Where you think you're going, baby
