## T Found You by The Wanted

## Fill in the gaps

She wants me to come over	I (4) you, in the (5) hour
can tell her eyes don't lie	I found you, in a pouring rain
She's calling me in the dark	I (6) you, when I was all in need
She moves us around the room where the lights turn like the	And your love pulled me back again
sky	Found you in a river of pure emotions
Confidence like a rock star	I found you, my only truth
wanna put my hands on her hands	I found you, (7) the music playing
Feel the heat from her skin	I was lost til I found you, you, you
Get reckless in the starlight	Til I found you, you, you
'm moving to the beat of her heart	I said, people
was so lost until tonight, tonight	We're all looking for love tonight
found you, in the darkest hour	But sometimes we can't see it
found you, in a pouring rain	We're blinded by light
found you, when I was on my knees	And we all get low, all get low
And your love pulled me back again	Searching for that piece of mind
Found you in a river of pure emotions	Just when I've given up
found you, my only truth	Looking for some kind inside
found you, with the music playing	That's when I found you, you, you
was lost til I found you, you, you	I (8) you, you, you
Til I found you, you, you	I found you, you
The night is getting colder	I found you, you
And I can't come off this high	I found you, in the darkest hour
don't want this here to end	I found you, in a pouring rain
(1) she feels the same	I found you, when I was all in need
Cause I can see it in her eyes	And your love pulled me (9) again
She says can we start again	Found you in a river of pure emotions
wanna put my hands on her hands	I found you, my only truth
Feel the heat (2) her skin	I found you, with the music playing
Get (3) in the starlight	I was lost til I found you
She's moving to the beat of my heart	
Ne were so lost until tonight, tonight
