| You were a thief you stole my heart                          | Just a second we're not broken (3) bent           |
| And I your willing victim                                    | And we can learn to love again                    |
| I let you see the parts of me                                | It's in the stars                                 |
