

Just give me a reason

Fill in the gaps

Right from the start	Just a little bit's enough
You were a thief you (1) my heart	Just a second we're not broken just bent
And I your willing victim	And we can learn to love again
I let you see the parts of me	It's in the stars
That weren't all that pretty	Adictivoz.com Adictivoz.com
And with every touch you fixed them	It's been written in the scars on our hearts
Now you've been talking in your sleep	You're not broken (7) bent
Things you never say to me	And we can learn to love again
Tell me that you've had enough	I never stopped
Of our love, our love	You're still written in the scars on my heart
Just give me a reason	Your not broken just bent and we can learn to love again
Just a (2) bit's enough	Oh tears ducts and rust
Just a second we're not broken just bent	I'll fix it for us
And we can learn to love again	We're collecting dust but our love's enough
It's in the stars	You're (8) it in
It's (3) written in the scars on our hearts	You're pouring a drink
We're not broken just bent	No nothing is as bad as it seems
And we can learn to (4) again	We'll come clean
Im sorry I don't understand where all of this is coming from	Just give me a reason
I thought that we were fine	Just a little bit's enough
Oh we had everything	Just a second we're not broken just bent
Your head is running wild again	And we can learn to love again
My dear we still have everything	It's in the stars
And its all in your mind	It's been (9) in the scars on our hearts
Yeah but this is happening	We're not broken just bent
You've been (5) real bad dreams	And we can learn to love again. (x2)
Oh oh	And we can learn to love again
You (6) to lie so close to me	And we can learn to love again
Oh oh	Oh, that we're not broken, (10) bent
There's nothing more than empty sheets	And we can learn to love again
Between out love, our love,	
Oh our love, our love
