

On your own you can go ahead tell them

Fill in the gaps

remember (1) ago	Tell (12) all I know now
Someone told me I should take	Shout it from the (13) tops
Caution (2) it comes to love	Write it on the sky line
I did	All we had is gone now
And you (3) strong and I was not	Tell (14) I was happy
My illusion, my mistake	And my heart is broken
I was careless, I forgot	All my scars are open
I did	Tell (15) what I hoped would be
And now when all is done	Impossible, impossible
There is nothing to say	Impossible, impossible
You (4) (5) and so effortlessly	Impossible, impossible
You (6) won	Impossible, impossible!
You can go ahead (7) them	Ooh (16) (yeah yeah)
Tell them all I know now	I remember (17) ago
Shout it from the (8) tops	Someone (18) me I (19) take
Write it on the sky line	Caution when it comes to love
All we had is gone now	l did
Tell them I was happy	Tell them all I know now
And my heart is broken	Shout it from the roof tops
All my scars are open	Write it on the sky line
Tell (9) (10) I hoped would be	All we had is gone now
Impossible, impossible	Tell them I was happy
Impossible, impossible	And my heart is broken
Falling out of love is hard	All my (20) are open
Falling for betrayal is worst	Tell (21) what I (22)
Broken trust and broken hearts	(23) be
I know, I know	Impossible, impossible
Thinking all you need is there	Impossible, impossible
Building faith on love and words	Impossible, impossible
Empty (11) will wear	Impossible, impossible
I know, I know	I remember years ago
And now when all is gone	Someone told me I should take
There is nothing to say	Caution when it (24) to love
And if you're done with embarrassing me	I did
