## Fill in the gaps

## A Tousand Years by Christina Perri

Heart beats fast	I have died everyday waiting for you
Colors and promises	Darling don't be afraid, I have loved you
How to be (1)	For a thousand years
How can I love (2) I'm afraid to fall	I'll love you for a thousand more
But watching you stand alone	All along I believed I would find you
All of my doubt	Time has brought your heart to me
Suddenly goes away somehow	I have loved you a thousand years
One step closer	I'll (7) you for a thousand more
I have died everyday waiting for you	One step closer
Darling don't be afraid, I (3) loved you	One step closer
For a thousand years	I have died everyday waiting for you
I'll love you for a thousand more	Darling don't be afraid, I have loved you
Time (4) still	For a thousand years
Beauty in all she is	I'll love you for a thousand more
I will be brave	All along I believed I would find you
I will not let anything (5) away	Time has brought your heart to me
But standing in front of me	I have (8) you for a thousand years
Every breath, (6) hour has come to this	I'll love you for a thousand more
One step closer
