

Fill in the gaps

This is the end	We will stand tall (we will stand tall)
Hold your (1) and (2) to ten	Face it all together
Feel the earth move and then	At skyfall
Hear my heart burst again	[x2:]
For this is the end	(Let the sky fall
I've drowned and dreamt this moment	When it crumbles
So overdue I owe them	We will (8) tall)
Swept away, I'm stolen	Where you go I go
Let the sky fall	What you see I see
When it crumbles	I know I'd never be me
We will stand tall	Without the security
Face it all together	Of your loving arms
Let the sky fall	Keeping me from harm
When it crumbles	Put your hand in my hand
We will stand tall	And we'll stand
Face it all together	Let the sky fall (let the sky fall)
At skyfall	When it crumbles (when it crumbles)
That skyfall	We will stand tall (we will stand tall)
Skyfall is (3) we start	Face it all together
A thousand (4) and poles apart	Let the sky fall (let the sky fall)
Where worlds collide and days are dark	When it crumbles (when it crumbles)
You may have my number, you can take my name	We will stand (9) (we will stand tall)
But you'll never have my heart	Face it all together
Let the sky (5) (let the sky fall)	At skyfall
When it crumbles (when it crumbles)	Let the sky fall
We will (6) (7) (we will stand tall)	We will stand tall
Face it all together	At skyfall
Let the sky fall (let the sky fall)	
When it crumbles (when it crumbles)
