So fake that you	To all you
You (1) it	Who want to
A city that seems so jaded	You want to it just ain't worth it
I can't	To all you
I can't end up like that	Who need to
It's all about what you drive	You (3) to know
Who you know	I don't (4) a fuck that you can't stand me
In a second it'll swallow you whole	I've finally had enough of what you say
And so fast	Now you're (5) tough cause you
Just like that	backstabbed me
You're way off track	You're my derailment
To all you	It's (6) how you lie and try to wreck me
Who want to	It's funny how you're falling on (7) face
You want to it just ain't worth it	I'm never going to let you disrespect me
To all you	You're my derailment
Who need to	The train is off the tracks
You need to know	I'm not (8) back
I don't give a fuck that you can't stand me	I don't give a fuck that you can't stand me
I've finally had enough of what you say	I've (9) had (10) of what
Now you're talking tough cause you backstabbed me	you say
You're my derailment	Now you're talking tough cause you backstabbed me
So sick and so shameless	You're my derailment
I swore I'd never start by saying	It's funny how you lie and try to wreck me
Do you know	It's funny how you're falling on your face
You know who I am	I'm never going to let you disrespect me
It's not about (2) you drive	You're my derailment
Who you know	Where do we go from here
Cause when it's gone	With everything so unclear
You'll be standing alone	Turned out to be by far my longest year
And so fast	It's too late to turn back time
Just like that	I'll never make it out alive
You can't go back	End of the day I see through all your lies
