m the kinda girl who doesn't say a word who sits at the curb	In the crowd the music's loud but I will find you
and waits for the world	Ready or not here I come
'm about to break out about to break out	I like your face, do you like my song?
'm like a crook tonight	Just sing it la la la la la and I will find you
caught you staring at me and I was thinking clearly	Ready or not
And now I'm like a bee and I'm huntin' for the honey	Ready or not
And I'm kinda shy you're super fly I could be your kryptonite	Ready or not here I come here I come
