T Could Be The One by Avicii

Fill in the gaps

Do you think about me when you're all alone?
The things we (1) to do, we (2) to be
I could be the one to make you feel that way
I could be the one to set you free
Do you think about me when the crowd is gone?
It used to be so easy, you and me
I could be the one to make you feel that way
I could be the one to set you free
I (3) be the one to make you (4) that way
I could be the one to set you free
I could be the one to make you feel that way
I could be the one to set you free
When you need a way to (5) the pressure down
When you need to find a way to breathe
I could be the one to make you (6) way
I could be the one to set you free
If you never see me when the crowd is gone
It used to be so easy, can't you see?
I could be the one to make you feel that way
I could be the one to set you free
I (8) be the one to make you feel that way
I could be the one to set you free
I could be the one to make you feel that way
I (9) be the one to set you free
I could be the one to make you feel that way
I could be the one to set you free
I could be the one to (10) you feel that way
I could be the one to set you free
