

Looking For My Self by Usher

Walking with my head down
(looking for myself)
Counting every step
Youuuu
Hoping that the (1)_____ one
(I, I I, I I I)
Brings me closer to the man I was
Youuuu
Cause I was way better
(looking for myself)
Maybe its because
And (4)_____ I ran right into you, girl
We were together
I was on a journey,
[Refrain]
Tryin to (5)_____ out who I really was
I said I'm looking for myself
Then I realized that,
And I still can't find me
When you're not here,
That's why I'm looking for myself
Half of me is gone
Who am I?
So in order for me to find me,
Someone remind me
I had to find you
I'm (2)_____ for myself
You know?
All my life I'm searching
(youuuu)
I said I'm looking for myself
And I got a funny (6)_____ that
And (3)_____ I ran right into
You won't know who you are
(looking for myself)
And unless you find me
It's like... You look in the mirror
You
(I, I I, I I I)
And somehow I ran right into you
And you see the person that you (7)_____ love
You
That's why I'm looking for myself
Who am I?
Escaping on the tightrope
And I still can't find me
Trying not to fall
Someone remind me
If I don't keep my balance
I know, I will lose it all
All my life I'm searching
I should have known better
And it's all my fault
That we're not together
I said I'm looking for myself
That's why I'm looking for myself
Who am I?
That's why I'm looking for myself
And I still can't find me
Escaping on the tightrope
I'm looking for myself
Trying not to fall
If I don't keep my balance
I know, I will lose it all
And somehow I ran right into
Someone remind me
I'm looking for myself
And it's all my fault
That we're not together
I said I'm looking for myself
That's why I'm looking for myself
Who am I?
That's why I'm looking for myself
And I still can't find me
Escaping on the tightrope
I'm looking for myself
Trying not to fall
If I don't keep my balance
I know, I will lose it all
And somehow I ran right into
You
(looking for myself)
You
(I, I I, I I I)
You
(looking for myself)
And somehow I ran right into you
Heey, looking for myself
(I I, I I, I I I)
And somehow I ran right into youu

Fill in the gaps

Answer

Fill in the gaps

1. next
