Another One Bites The Dust by Queen

Hey I'm gonna get you too, another one bites the dust

Steve (1) warily (2) the street	Hey, Oh take it - Bite the dust bite the dust
With his brim pulled way down low	Hey Another one bites the dust
Ain't no sound but the sound of his feet	Another one bites the dust
Machine guns (3) to go	Another one bites the dust
Are you ready hey, are you ready for this?	Another one bites the dust
Are you hanging on the edge of your seat?	Oooh shoot out
Out of the doorway the bullets rip	There are plenty of ways that you can hurt a man
To the sound of the beat, yeah	And bring him to the ground
Another one bites the dust, another one bites the dust	You can beat him, you can (6) him
And another one gone, and another one gone,	You can treat him bad, and leave him when he's down
(4) one bites the dust	But I'm ready, yes I'm ready for you
Hey, I'm gonna get you too, another one bites the dust	I'm standing on my own two feet
How do you think I'm going to get along	Out of the doorway the (7) rip
Without you when you're gone	Repeating to the sound of the beat
You took me for everything that I had	Another one bites the dust, another one bites the dust
And kicked me out on my own	And another one gone and (8) one
Are you happy are you satisfied?	(9)
How long can you stand the heat	Another one bites the (10) yeah, Hey I'm gonna
Out of the (5) the bullets rip	get you too
To the sound of the beat look out	Another one bites the dust
Another one bites the dust, another one bites the dust	Shoot out
And another one gone, and another one gone, another one	
bites the dust
