

## Fill in the gaps

Well you only need the light when it's burning low	But to never to (7) and never to keep
Only miss the sun when it's starts to snow	Because you loved her to much
Only know your lover when you let her go	And you dive too deep
Only know you've been high when (1)	Because you only need the (8) when it's burning
feeling low	low
Only hate the (2) when you're missin' home	Only miss the sun when it's starts to snow
Only know your lover when you've let her go	Only know your (9) when you've let her go
And you let her go	Only know you've been high when you're feeling low
Staring at the bottom of your glass	Only hate the road when you're missin' home
Hoping one day you will make a dream last	Only know your (10) when you've let her go
The dreams come (3) and goes so fast	And you let her go
You see her when you close your eyes	O0000 00000 000000
Maybe one day you will understand why	And you let her go
Everything you touch all it dies	O000000 00000 00000
Because you only need the (4) when it's burning	And you let her go
low	Because you only need the light when it's burning low
Only miss the sun when (5) starts to snow	Only miss the sun when it's starts to snow
Only know your lover when you've let her go	Only know your lover when you've let her go
Only (6) you've been high when you're feeling low	Only know you've been high when you're feeling low
Only hate the road when you're missin' home	Only hate the road when you're missin' home
Only know your lover when you've let her go	Only know your lover when you've let her go
Staring at the ceiling in the dark	And you let her go
Same ol' empty feeling in your heart	
Love comes slow and it goes so fast	
Well you see her when you fall asleep
