

Fill in the gaps

I know (1) you're (2) things	Suspended on silver wings
Using gentle words to shelter me	Oh, a thousand words
Your words (3) like a dream	One thousand embraces
But (4) could never (5) me	Will cradle you
Not (6) easily	Making all of the (16) you feel
I (7) so distant then	Seem far away
Didn't say goodbye (8) you left	They'll hold you forever
But I was listening	Oh, a thousand words
You'll fight your battles far from me	Have (17) (18) spoken
Far too easily	They'll fly to you
"Save (9) tears cause I'll come back"	They'll (19) you home
I (10) hear that you whispered	And (20) into my arms
As you walked (11) that door	Suspended on silver wings, oh
But still I swore	On (21) wings
To (12) the (13) when I turn back the	And a (22) words, oh
pages	Call out (23) the ages
Shouting might have been the answer	They'll cradle you
What if I'd cried my (14) out	Turning all of the lonely years
And begged you not to depart	To only days
But now I'm not afraid	They'll hold you forever
To say what's in my heart	Yeah-uh
Cause a thousand words	A (24) words
Call out through the ages	Oh-oh-oh-uh-uh
They'll fly to you	
Even though we can't see	
I know they're (15) you
