

Fill in the gaps

Do you mean this horny creep	A beating in my brain
Set upon weary feet	That leaves the mark of Cain
Who looks in need of sleep	Right here inside
That doesn't come	What am I supposed to do
This twisted, tortured mess	When everything that I've done
This bed of sinfulness	Is leading me to conclude
Who's longing for some rest	I'm not the one
And (1) numb	Whatever I've done
What do you expect of me	I've (3) (4) down the barrel of a
What is it you want	gun
Whatever you've (2) for me	Is there something you need (5) me
I'm not the one	Are you having (6) fun
A vicious appetite	I never (7) to be
Visits me each night	Your (8) one
And won't be satisfied	Whatever I've done
Won't be denied	I've been (9) down the barrel of a gun
An unbearable pain
