

## Fill in the gaps

It's our party we can do what we (1) (no drama)	Forget the haters 'cause somebody loves ya
It's our party we can say what we want (Mike will made)	And everyone in line in the bathroom
It's our party we can love who we want	Trying to get a line in the bathroom
We can kiss who we want	We all so turned up here
We can sing what we want	Getting turned up, yeah, yeah
It's our (2) we can do what we want	So la da di da di
It's our party we can say what we want	We like to party
It's our party we can love who we want	Dancing with Molly*
We can kiss who we want	Doing whatever we want
We can sing (3) we want	This is our house
Red cups and sweaty (4) everywhere	This is our rules
Hands in the air like we don't care	And we can't stop
Cause we came to have so much fun now	And we won't stop
Bet somebody here might get some now	Can't you see it's we who own the night?
If you're not ready to go home	Can't you see it's we who 'bout that life?
Can I get a "Hell, no!"? (Hell no)	And we can't stop
Cause we're gonna go all night	And we won't stop
Til we see the sunlight, alright	We run things, things don't run we
So la da di da di	Don't take nothing from nobody
We like to party	Yeah, yeah
Dancing with Molly*	It's our party we can do what we want
Doing whatever we want	It's our party we can say (7) we want
This is our house	It's our party we can love who we want
This is our rules	We can kiss who we want
And we can't stop	We can sing what we want
And we won't stop	It's our party we can do what we want to
Can't you see it's we who own the night?	It's our house we can love who we (8) to
Can't you see it's we who 'bout that life?	It's our song we can sing if we (9) to
And we can't stop	It's my mouth I can say what I want to
And we won't stop	Say yeah, yeah, yeah, ehh
We run things, things don't run we	And we can't stop, yeah
Don't take nothing (5) nobody	And we won't stop, oh
Yeah, yeah	Can't you see it's we who own the night?
It's our party we can do what we want	Can't you see it's we who 'bout that life?
It's our party we can say what we want	And we can't stop
It's our party we can love who we want	And we won't stop
We can kiss who we want	We run things, things don't run we
We can sing what we want	Don't take nothing from nobody
To my home girls here with the big butt	Yeah, yeah, yeah, ehh
Shaking it like we at a strip club	
Remember only God can (6) ya
