

Tonight

Fill in the gaps

Give me a second I	vve are young
I (1) to get my story straight	So let's the set the world on fire
My friends are in the bathroom	we can burn brighter
getting higher than the (2) state	than the sun
my lover she is waiting for me	Tonight
just across the bar	We are young
My seat's (3) taken by some sunglasses	so let's set the world on fire
asking 'bout a cigar	we can burn brighter
and I know I gave it to you (4) ago	than the sun
I know you're trying to forget	Carry me home tonight
but between the drinks and subtle things	Just carry me (7) tonight
the holes in my apologies	Carry me home tonight
you know I'm (5) hard to take it back	Just carry me home tonight
so if by the time the bar closes	The moon is on my side
and you feel like falling down	I have no reason to run
I'll carry you home	So will someone come and carry me home tonight
Tonight	The angels (8) arrived
We are young	but I can hear the choir
So let's set the world on fire	so will someone come and carry me home
We can burn brighter	Tonight
than the sun	We are young
Tonight	So let's set the world on fire
we are young	we can (9) brighter
so let's set the world on fire	than the sun
we can burn brighter	Tonight
than the sun	We are young
Now I know that I'm not	so let's set the world on fire
all that you got	we can burn brighter
I guess that I	than the sun
I just thought maybe we could find a ways to fall apart	So if by the time the bar closes
But our (6) are back	and you feel like (10) down
So let's raise a toast	I'll carry you home tonight
Cause I found someone to carry me home
