

## Fill in the gaps

Well, I woke up to the sound of silence	Carry on
The (1) were cutting (2) knives in a	May (18) past be the (19) of your feet
fist fight	upon the ground and
And I found you with the bottle of wine	Carry on
Your head in the curtains	Woah
And heart like the fourth of july	My head is on fire
You swore and said,	But my legs are fine
"We are not we are not shining stars"	After all, (20) are mine
This I know	Lay your clothes down on the floor,
I never (3) we are	Close the door,
Though I've never been through (4) like that	Hold the phone,
I've closed enough windows to know you can (5)	Show me how no one is ever going to stop us now
look back	Because we are
If you're (6) and alone	We are (21) stars
Or you're sinking like a stone,	We are invincible
Carry on	We are who we are
May (7) past be the sound of (8)	On our darkest day,
(9) upon the ground	When we're miles away,
Carry on	So we (22) come
Carry on, carry on	We (23) (24) our way home
So I met up with (10) friends at the edge of the	If you're lost and alone
night	Or you're sinking like a stone,
At a bar off 75	Carry on
And we talked and talked about how our	May your past be the sound of your feet upon the ground and
(11) die	Carry on oh on on oh ohh oh oh oh oh
All our (13) and wives	oh ohh oh oh oh oh
But I'd like to think I can cheat it all	No one is ever going to (25) us now
To make up for the (14) I've been cheated on	No one is ever going to stop us now
And it's (15) to know,	No one is ever going to stop us now
when i was left for dead,	
I was found and now I don't roam the streets	
I am not the ghost you want of me	
If you're (16) and alone	
Or you're (17) like a stone,
