Listen To Your Heart by Roxette

I know there's something in the wake of your smile
I get a notion from the look in your eyes, yeah
You've built a love but that love falls apart
Your little piece of Heaven turns too dark
Listen to your heart when he's calling for you
Listen to your heart there's nothing else you can do
I don't know where you're going and I don't know why
But listen to your heart before you tell him goodbye
Sometimes you wonder if this fight is worthwhile
The precious moments are all lost in the tide, yeah
They're (1)_____ (2)_____ and nothing is
(3)_____ is seems
The feeling of (4)_____ to your dreams
Listen to your heart when he's calling for you
Listen to your heart there's nothing else you can do
I don't know where you're going and I don't know why
But listen to your heart before you tell him goodbye
And there are voices that want to be heard
So much to mention but you can't find the words
The scent of magic, the beauty that's been

When love was wilder than the wind
Listen to your heart when he's calling for you
Listen to your heart there's nothing else you can do
I don't know where you're going and I don't know why
But listen to your heart before
Listen to your heart (5)_____ he's calling for you
Listen to your (6)_____ there's nothing (7)_____
you can do
I don't know where you're going and I don't know why
But (8)_____ to (9)_____ heart before you tell
him goodbye
Listen to your heart
Listen to (10)_____ heart
Listen to your heart
