Where do I begin
To (1) the story of how (2) a love can be
The sweet love story that is older than the sea
The simple truth about the love she brings to me
Where do I start
With her first hello
She gave new (3) to this (4) world of mine
There'll (5) be another love, another time
She came into my life and made the (6) fine
She fills my (7)
She fills my heart with very special things
With angels' songs , with wild imaginings
She fills my soul with so much love
That everywhere I go I'm never (8)
With you my love, who could be lonely
I (9) for her hand-it's always there
How long does it last
Can love be measured by the hours in a day
I have no answers now but this much I can say
I know I'll need her till the stars all burn away
And she'll be there
