

And I'm open to your suggestions

Fill in the gaps

Way Back Into Love by Hugh Grant And Haley Bennett

I've been living with a shadow overhead	All I want to do is find a way (7) into love
I've been sleeping with a cloud above my bed	I can't make it through (8) a way back into
I've been lonely for so long	love
Trapped in the past, I just can't seem to move on	And if I open my heart again
I've been hiding all my hopes and dreams away	I guess I'm hoping you'll be there for me in the end
Just in case I ever (1) em again someday	oh, oh, oh, oh
I've been setting aside time	There are moments when I don't know if it's real
To clear a little space in the corners of my mind	Or if anybody feels the way I feel
All I want to do is find a way back into love	I need inspiration
I can't make it (2) without a way back	Not just another negotiation
(3) love	All I want to do is (9) a way back (10)
Oh oh oh	love
I've been watching but the stars refuse to shine	I can't make it through without a way back into love
I've (4) (5) but I just don't	And if I open my heart to you
see the signs	I'm hoping you'll show me what to do
I know that it's out there	And if you help me to start again
There's got to be something for my soul somewhere	You know that I'll be there for you in the end
I've (6) looking for someone to shed some light	oh, oh, oh, oh
Not somebody just to get me through the night	
I could use some direction	

- 1. need
- 2. through
- 3. into
- 4. been
- 5. searching
- 6. been
- 7. back
- 8. without
- 9. find
- 10. into
