

## Fill in the gaps

### Way Back Into Love by Hugh Grant And Haley Bennett

I've been (1) with a shadow overhead	All I want to do is (21) a way (22) into
I've (2) my	love
bed	I can't make it through without a way back (23)
I've been lonely for so long	love
Trapped in the past, I just can't (4) to move on	And if I open my heart again
I've (5) hiding all my hopes and (6)	I guess I'm (24) you'll be there for me in the
away	end
Just in case I ever need em again someday	oh, oh, oh, oh
I've (7) (8) aside time	There are moments when I don't know if it's real
To (9) a little space in the corners of my mind	Or if (25) feels the way I feel
All I want to do is find a way (10) (11)	I need inspiration
love	Not just another negotiation
I can't (12) it through (13) a way	All I want to do is find a way back into love
(14) into love	I can't (26) it through without a way back into love
Oh oh oh	And if I open my heart to you
I've been watching but the stars (15) to shine	I'm hoping you'll show me (27) to do
I've (16) searching but I (17) don't see	And if you help me to start again
the signs	You (28) that I'll be there for you in the end
I (18) that it's out there	oh, oh, oh, oh
There's got to be (19) for my soul	
somewhere	
I've been looking for someone to shed (20) light	
Not somebody just to get me through the night	
I could use some direction	
And I'm open to your suggestions
