Way Back Into Love by Hugh Grant And Haley Bennett

I've been living with a shadow overhead	All I want to do is find a way back into love
I've been sleeping with a cloud (1) my bed	I can't make it through without a way back into love
I've been lonely for so long	And if I open my heart again
Trapped in the past, I (2) can't seem to move on	I guess I'm hoping you'll be there for me in the end
I've (3) hiding all my hopes and dreams away	oh, oh, oh, oh
Just in case I ever need em again someday	There are moments when I don't know if it's real
I've (4) setting (5) time	Or if anybody feels the way I feel
To clear a little space in the corners of my mind	I need inspiration
All I want to do is find a way back into love	Not just another negotiation
I can't make it through (6) a way back into	All I want to do is find a way back into love
love	I can't make it through (8) a way back into
Oh oh oh	love
I've been watching but the stars refuse to shine	And if I open my (9) to you
I've been searching but I just don't see the signs	I'm hoping you'll show me what to do
I (7) that it's out there	And if you help me to start again
There's got to be something for my soul somewhere	You know that I'll be there for you in the end
I've been looking for someone to shed some light	oh, oh, oh, oh
Not somebody just to get me through the night	
I could use some direction
