

## Fill in the gaps

I, I'm driving black on black	'Cause everybody knows
Just got my license back	We're just a (5) of animals (animals)
I got this feeling in my veins this train is coming off the track	So come on baby, get in
I'll ask polite if the devil needs a ride	Get in, (6) get in
Because the angel on my right ain't hanging out with me	Look at the trouble we're in
tonight	We were parked out by the tracks
I'm driving past your house while you were sneaking out	We're sitting in the back
I got the car door opened up so you can jump in on the run	And we just started getting busy
Your mom don't know that you were missing	When she whispered "what was that?"
She'd be pissed if she (1) see the parts of you	The wind, I think 'cause no one else knows where we are
I've been kissing	And that was when she started screamin'
Screamin'	"That's my dad (7) the car!"
No, we're never gonna quit	Oh please, the keys, they're not in the ignition
Ain't nothing wrong with it	Must have wound up on the floor while
Just acting like we're animals	We (8) switching our positions
No, no matter where we go	I guess they knew that she was missing
'Cause everybody knows	As I tried to tell her dad it was her mouth (9) I was
We're just a (2) of animals	kissing
So come on baby, get in	Screamin'
Get in, just get in	No, we're never gonna quit
Check out the trouble we're in	Ain't nothing wrong with it
You're beside me on the seat	Just acting like we're (10) (animals)
Got your hand between my knees	No, no matter where we go
And you (3) how fast we go by just how	'Cause everybody knows
hard you wanna squeeze	We're just a couple of animals (animals)
It's hard to steer when you're breathing in my ear	So come on baby, get in
But I got both hands on the wheel while you got both hands on $% \left\{ 1,2,\ldots ,n\right\}$	We're just a couple of animals
my gears	Get in, just get in
By now, no doubt that we were heading south	Ain't nothing wrong with it
I guess nobody ever taught her not to speak with a full mouth	Check out the trouble we're in
'Cause this was it, like flicking on a switch	We're just a couple animals
It felt so good I (4) drove into the ditch	Get in, just get in
I'm screamin'	
No, we're never gonna quit	
Ain't nothing wrong with it	
Just acting like we're animals (animals)	
No, no matter where we go
