

Fill in the gaps

The Black Parade by My Chemical Romance

When I was a (1) boy,	Your memory (15) carry on
My (2) took me into the city	We'll carry on
To see a (3) band.	And though you're broken and defeated
He said, "Son when you grow up,	Your weary widow marches
would you be the savior of the broken,	On and on we (16) through the fears
the beaten and the damned?"	Ooh oh ohhhh
He said "Will you defeat them,	Disappointed faces of your peers
your demons, and all the non-believers,	Ooh oh ohhhh
the plans that (4) have made?"	Take a look at me cause I could not care at all
"Because one day I'll leave you,	Do or die, you'll (17) make me
A (5) to lead you in the summer,	Because the world will (18) (19) my
To join The Black Parade."	heart
When I was a (6) boy,	Go and try, you'll never break me
My father (7) me into the city	We want it all, we wanna (20) this part
To see a marching band.	I won't explain or say I'm sorry
He said, "Son when you (8) up,	I'm unashamed, I'm gonna show my scar
would you be the savior of the broken,	Give a cheer for all the broken
the beaten and the damned?"	Listen here, because it's who we are
Sometimes I get the feeling she's (9)	I'm (21) a man, I'm not a hero
over me.	Just a boy, who had to (22) this song
And other times I feel like I should go.	I'm just a man, I'm not a hero
And (10) it all, the rise and fall, the bodies	I! don't! care!
in the streets.	We'll carry on
And when you're gone we want you all to know.	We'll carry on
We'll carry on,	And (23) you're dead and gone believe me
We'll carry on	Your memory will carry on
And though you're (11) and gone	We'll carry on
(12) me	And (24) you're broken and defeated
Your memory will carry on	Your weary widow marches on
We'll (13) on	Do or die, you'll never (25) me
And in my (14) I can't contain it	Because the world will never take my heart
The anthem won't explain it.	Go and try, you'll never break me
A world that sends you reeling from decimated dreams	We want it all, we wanna play this part (We'll carry on)
Your misery and hate will kill us all.	Do or die, you'll never make me (We'll carry on)
So paint it black and take it back	Because the world will never take my (26) (We'll
Let's shout it loud and clear	carry on)
Defiant to the end we hear the call	Go and try, you'll never break me (We'll carry)
To carry on	We want it all, we (27) play this part (We'll carry
We'll carry on	on)
And though you're dead and gone believe me
