

Fill in the gaps

Do I Wanna Know? by Arctic Monkeys

Herre was not released a second backer	Determine and the females of the second of the
Have you got colour in your cheeks?	But we could be together if you wanted to
Do you (1) get that fear that you can't shift the type	(Do I wanna know?)
that sticks around (2) summat in your teeth?	If this feeling flows both ways
Are (3) some aces up your sleeve?	(Sad to see you go)
Have you no (4) that you're in deep?	Was sorta hoping that you'd stay
I've dreamt about you nearly every night this week	(Baby we both know)
How many secrets can you keep?	That the nights were mainly made for saying things that you
Cause there's this tune I found that makes me think of you	can't say tomorrow day
(5) and I play it on (6)	Crawling back to you
Until I fall asleep	Ever thought of calling when you've had a few? (calling when
Spilling (7) on my settee	you've had a few)
(Do I (8) know?)	'Cause I always do ('cause I always do)
If this feeling flows (9) ways	Maybe I'm too busy being yours to fall for somebody new
(Sad to see you go)	Now I've thought it through
Was sorta (10) that you'd stay	Crawling back to you
(Baby we both know)	(Do I wanna know?)
That the nights were (11) made for saying	If this feeling (16) (17) ways
things that you can't say tomorrow day	(Sad to see you go)
Crawling (12) to you	Was sorta hoping that you'd (18)
Ever thought of calling when you've had a few?	(Baby we both know)
Cause I (13) do	That the (19) were mainly made for
Maybe I'm too busy being yours to fall for somebody new	(20) that you can't say
Now I've thought it through	(22) day
Crawling back to you	(Do I (23) know?)
So have you got the guts?	Too (24) being (25) to fall
Been wondering if your heart's still open and if so I wanna	(Sad to see you go)
know what time it shuts	Ever thought of calling darling?
Simmer down and pucker up	(Do I wanna know)
I'm sorry to interrupt it's (14) I'm constantly on the	Do you want me crawling (26) to you?
(15) of trying to kiss you	
I don't know if you feel the same as I do
