

Fill in the gaps

Stop For A Minute by Keane Ft. K'naan

Some days, reels my soul has left my body		And I m the first to admit it
Feel (1) (2)	high above me	Without you I'm child and so wherever you go
Like (3) looking down upon me	Э	I will follow
Start sinking, everytime I get to thinking		One yeah
It's easier to keep on moving		And baby you are just beautiful from (20) to your
Never stop to let the truth in		cuticles
Sometimes I (4) like (5)	all	You held (21) my two sons,
(6) done		you never frown when duty calls
Sometimes I (7) like (8)	the only one	You know me, I gave you more than you can handle
Sometimes I wanna change everything I've	ever done	But you still keep a handle on it
Too tired to fight and yet too scared to run		even when I take something (22) and
And if I stop for a minute		vandal on it
I think (9) (10)	1	No more females?
(11) don't wanna know		Well how come my emails got notes on a scandal
And I'm the first to admit it		It's (23) Eve with the apple,
Without you I'm a (12) (13)		A priest in the chapel
in an ice floe		Overcome by the (24) tackle
I feel like a thief who has no faith		I'm still shackling the bad til I know
Maybe more (14) by the grade		And if I stop for a minute
Of the drugs you (15) that day		I (25) (26) things I really don't
Sinking in the pain he's been inflicting		wanna know
Yet he's feeling like the victim		So I guess I'm just a fiend
Just a horoscope's to blame		Consumed by the scene
Sometimes I (16) like a little (17)) child	And I'm the first to (27) it
Sometimes I feel like the chosen one		Without you I'm a liner stranded in an ice floe
Sometimes I wanna shout out 'til everything goes quiet		The stage and the screens
Sometimes I wonder why I was (18) born		Where it's just me and Keane.
And if I stop for a minute		
I think about things really I (19)	wanna	
know
