

## Fill in the gaps

Here is a little (1) I wrote	Cause when you worry
You might want to sing it (2) for (3)	Your face will frown
Don't (4) be happy	And that will bring everybody down
In every life we have some trouble	So don't worry, be happy (now)
When you worry you make it double	There is this little song I wrote
Don't worry, be happy	I hope you learn it note for note
Ain't got no place to lay (5) head	Like good little children
Somebody came and took your bed	Don't worry, be happy
Don't worry, be happy	Listen to what I say
The land lord say your (6) is late	In your life expect some (7)
He may have to litigate	But when you worry
Don't worry, be happy	You (8) it double
Lood at me I am happy	Don't worry, be happy
Don't worry, be happy	Don't worry don't do it, be happy
Here I give you my phone number	Put a smile on (9) face
When you worry call me	Don't bring everybody down like this
I make you happy	Don't worry, it will soon past
Don't worry, be happy	Whatever it is
Ain't got no cash, ain't got no style	Don't worry, be happy
Ain't got not girl to make you smile	
But don't worry be happy
