Story Of My Life by One Direction

With nothing in between

Fill in the gaps

Written in (1) walls are the stories that I can't	The (5) of my life
explain	I take her home
I leave my heart open but it stays right here empty for days	I drive all (6) to keep her warm
She (2) me in the morning she don't feel the same	And time is frozen (the story of, the story of)
about us in her bones	The story of my life
Seems to me that when I die these (3) will be	I give her hope
written on my stone	I spend her love
And I'll be gone, gone tonight	Until she's broke
The ground beneath my feet is open wide	Inside
The way that I've been holding on too tight	The story of my life (the (7) of, the story of)
With nothing in between	And I'll be waiting for this time to come around
The story of my life	But baby running after you is (8)
I take her home	(9) the clouds
I drive all night to keep her warm	The story of my life
And time is frozen (the story of, the story of)	I take her home
The story of my life	I drive all night to keep her warm
I give her hope	And time is frozen
I spend her love	The story of my life
Until she's broke	I give her hope (give her hope)
Inside	I spend her love
The story of my life (the story of, the story of)	Until she's broke (until she's broke inside)
Written on these walls are the colors that I can't change	Inside
Leave my heart open but it stays right here in its cage	The story of my life (the story of, the story of)
I know that in the morning now I see us in the light upon a hill	The story of my life
Although I am broken, my heart is untamed, still	The story of my life (the (10) of, the story of)
And I'll be gone, gone tonight	The story of my life
The fire beneath my (4) is burning bright	
The way that I've been holding on so tight
