### Fill in the gaps

Baby, (1) they look up at the sky	You're all I see in all these places
We'll be shooting stars just passing by	You're all I see in all these faces
You'll be coming home with me tonight	So let's pretend we're running out of time, of time
We'll be burning up like neon lights	Baby, when they look up at the sky
Be (2) my heart 'cause it's freaking out, it's	We'll be (16) stars just passing by
freaking out, right now	You'll be coming home with me tonight
Shining (3) stars 'cause we're beautiful, we're	And we'll be burning up like neon lights
beautiful, right now	Baby, (17) they look up at the sky
You're all I see in all these places	We'll be shooting (18) just passing by
