

## Fill in the gaps

Story of my life, searching for the right	And it (6) him inside
But it keeps avoiding me	To know that I am (7) with some other guy
Sorrow in my soul â??cause it seems that wrong	I can see him dying
Really loves my company	I don't wanna do this anymore
He's more than a man and this is more than love	I don't wanna be the reason why
The reason that the sky is blue	Every time I walk out the door
But clouds are rolling in because I'm (1) again	I see him die a little more inside
And to him I just can't be true	I don't wanna hurt him anymore
And I know that he knows I'm unfaithful	I don't wanna take away his life
And it (2) him inside	I don't wanna be a murderer
To know that I am happy with some other guy	Our love, his trust
I can see him dying	I might as well take a gun
I don't wanna do this anymore	And put it to his head
I don't wanna be the reason why	Get it over with
Every time I walk out the door	I don't wanna do this
I see him die a little more inside	Anymore, anymore
I don't wanna hurt him anymore	And I don't wanna do this anymore
I don't wanna take away his life	I don't wanna be the reason why
I don't wanna be a murderer	And every time I (8) out the door
I feel it in the air as I'm doing my hair	I see him die a little more inside
Preparing for another date	And I don't wanna hurt him anymore
A kiss up on my cheek, he's here reluctantly	I don't wanna take (9) his life
As if I'm gonna be out late	I don't wanna be a murderer
I say I won't be long just hanging (3) the girls	A murderer, no no no
A lie I didn't have to tell	Yeah
Because we both know where I'm about to go	
And we (4) it very well	
â22Cause I know that he (5) I'm unfaithful
