## All I Want For Christmas Is You Ft. Mariah Carey by Justin Bieber

	Cause (13) all I want for
I don't (1) a lot for Christmas	(14) is you
There is just one thing I need	You
And I don't care about the presents	Oh-ho, all the lights are shining
Underneath the (2) tree	So (15) everywhere
I don't need to (3) my stocking	And the sound of children
There upon the fireplace	Laughter fills the air
Santa (4) won't make me happy	And everyone is singing
With a toy on Christmas Day	I hear those (16) bells ringing
I just want you for my own	Santa won't you bring me the one I really need?
More than you could (5) know	Won't you please (17) my baby to me?
Make my (6) (7) true	Yeah
All I want for Christmas	Oh, I don't want a lot for Christmas
ls you	This is all I'm asking for
You, baby	I just wanna see my (18) (Yeahhh)
Oh, I won't ask for much this Christmas	Standing right outside my door
I won't even (8) for snow	Oh I just want you for my own
And I'm just gonna keep on waiting	For my own
Underneath the mistletoe	Baby
I won't (9) a (10) and send it	More (19) you could (20) know
To the North Pole for (11) Nick	Make my wish come true
I won't even stay awake to	Baby all I want for Christmas is
Hear those magic reindeer click	You baby
Cause I (12) want you here tonight	All I (21) for Christmas is you baby
Holding on to me so tight	All I want for Christmas is you baby
What more can I do?	All I (22) for Christmas is you (23)
