Somewhere Only We Know by Lily Allen

I walked across	Talk (7) it somewhere only we know
An empty land	This could be the end of everything
I knew the pathway like the back of my hand	So why don't we go
I felt the earth	Somewhere only we know
Beneath my feet	Somewhere only we know
Sat by the (1) and it made me complete	Oh, simple thing
Oh, simple thing	Where have you gone
Where have you gone	I'm (8) old and I (9) someone to
I'm getting (2) and I need someone to rely on	rely on
I came across	So tell me when
A fallen tree	You're gonna let me in
I felt the (3) of it (4) at	I'm getting tired and I (10) somewhere to begin
me	And if you have a minute, why don't we go
Is this the place	Talk about it somewhere only we know
We used to love	'Cause this could be the end of everything
Is this the place that I've been dreaming of	So why don't we go
Oh, simple thing	Somewhere only we know
Where have you gone	Somewhere only we know
I'm getting old and I need (5) to rely	
on	
And if you (6) a minute, why don't we go
