

Fill in the gaps

Feelings you see	So (12) are we doing now?
Are so hard to believe	Feeling (13) I (14)
All the (1) I have in my heart	be contained
Devils I make and the love can relate	I'm so lost and (15) now
All the (2) inside (3) me up	Where do I run?
Take me away!	Where do I hide?
Set me on fire!	Give me a reason to end my life
There's no other way!	Where do I run?
Give me a reason 'cause I got nothing to gain	Where do I hide?
So what are we (4) now?	Give me a reason to get out alive
Feeling (5) I cannot be contained	Give me a (16) 'cause I got
I'm so lost and (6) now	(17) to gain
We've (7) deceived	So what are we (18) now?
It's so easy for me	Feeling complacent I (19) be contained
'Cause the loathing I've had from the start	I'm so (20) and lonely now
Evil disease all the (8) it breathes	Give me a (21) 'cause I got nothing to gain
As I'm down on my knees (9) apart	So (22) am I doing now?
Take me away!	(What am I (23) now?)
Set me on fire!	Feeling complacent I cannot be contained
There's no other way!	I'm so (24) and lonely now
Give me a (10) 'cause I got	
(11) to gain
