

Yeah

Fill in the gaps

This Christmas Life by Shane Dawson

If (1) was like a Christmas movie	I'm hoping for a (10) ending
I wouldn't (2) a care or worry	So let's stop pretending (11) life could be
And (3) would always turn out fine	There'll be (12) and singing
Making angels in the snow	This Christmas life
Kissing under mistletoe	And the bells will be ringing
And everyone would (4) have a smile	This Christmas life
But baby, life isn't that easy	No more heartaches or heartbreaks
Sometimes it gets crazy	This Christmas life
I'm falling on my knees	(Oh) I (13) it (14) be mine
Yeah	So I (15) my (16) and
I'm hoping for a happy ending	Create a (17) where
So let's stop pretending what (5) (6)	Anything's (18) there
be	I'm just dreaming of what it would be
There'll be dancing and singing	There'll be dancing and singing
This Christmas life	This Christmas life
And the bells will be ringing	And the (19) (20) be ringing
This Christmas life	This Christmas life
No more heartaches or heartbreaks	No (21) heartaches or heartbreaks
This Christmas life	This (22) life
(Oh) I wish it could be mine	(Oh) I wish it could be mine
If I lived up on the north pole	There'll be (23) and singing
I (7) (8) outside my window	This Christmas life
And look around at all the shining lights	And the bells will be ringing
Christmas carols at the front door	This (24) life
Family at the dinner table	No more heartaches or heartbreaks
And every night would (9) end just right	This Christmas life
But baby, life isn't that easy	(Oh) I (25) it (26) be mine
Sometimes it gets crazy	
I'm falling on my knees
