This Christmas Life by Shane Dawson

f life was (1) a (2) me	ovie I'm hoping for a happy ending
wouldn't have a care or worry	So let's stop pretending what life could be
And everything would always turn out fine	There'll be dancing and singing
Making angels in the snow	This Christmas life
Kissing under mistletoe	And the bells will be ringing
And everyone would always have a smile	This Christmas life
But baby, life isn't that easy	No more heartaches or heartbreaks
Sometimes it gets crazy	This Christmas life
m falling on my knees	(Oh) I wish it (7) be mine
/eah	So I close my eyes and
m hoping for a happy ending	Create a (8) where
So let's stop pretending (3) life could be	Anything's possible there
There'll be dancing and singing	I'm just dreaming of what it would be
This Christmas life	There'll be dancing and singing
And the bells will be ringing	This Christmas life
This Christmas life	And the bells will be ringing
No more heartaches or heartbreaks	This Christmas life
This Christmas life	No more heartaches or heartbreaks
Oh) I wish it (4) be mine	This (9) life
f I lived up on the north pole	(Oh) I wish it could be mine
would stare outside my window	There'll be dancing and singing
And look around at all the shining lights	This Christmas life
Christmas carols at the (5) door	And the bells will be ringing
Family at the dinner table	This Christmas life
And every night would always end just right	No more heartaches or heartbreaks
But baby, life isn't that easy	This Christmas life
Sometimes it gets crazy	(Oh) I (10) it could be mine
'm (6) on my knees
