Slow Fade by Casting Crowns

...

Be careful little eyes what you see

It's the second glance that ties your hands

As darkness pulls the strings

Be careful (1)_____ feet (2)_____ you go

For it's the (3)_____ feet behind you

That are sure to follow

It's a (4)_____ fade

When you give (5)_____ away

It's a slow fade

When black and white are turned to gray

And thoughts invade, choices are made

A price will be paid

When you give yourself away

People never crumble in a day

It's a (6)_____ fade

It's a slow fade

Be (7)_____ little ears what you hear

When flattering leads to compromises

The end is always near

Be careful little lips what you say

For empty words and promises

Leave broken hearts astray

It's a slow fade

When you give yourself away

It's a slow fade

When black and white are turned to gray

And thoughts invade

Choices are made

A price will be paid

When you give yourself away

People never crumble in a day

The journey from your mind to your hands

Is shorter than you're thinking

Be careful if you think you stand

You just might be sinking

It's a slow fade

When you give yourself away

It's a slow fade

When black and (8)_____ are turned to gray

And thoughts invade

Choices are made

A price (9)_____ be paid

When you give yourself away

People never crumble in a day

Daddies never crumble in a day

Families never crumble in a day

(Oh) Be careful little eyes what you see

(Oh) Be careful little eyes what you see

For the Father up above is looking down in love

(Oh) Be careful little eyes what you see
