Under the shadow of our steeple With all the lost and lonely people

Searching for the hope

Fill in the gaps

Does Anybody Hear Her by Casting Crowns

| She is running | That's (5) away in you and me |
|--------------------------------------------------|--------------------------------------------------|
| A hundred miles an hour in the wrong direction | Does (6) hear her? |
| She is trying | Can anybody see? |
| But the canyon's ever widening | If judgment (7) under every steeple |
| In the (1) of her cold heart | If lofty glances from lofty people |
| So she sets out on (2) misadventure just to | Can't see past her scarlet letter |
| find | And we've never even met her |
| She's another two years older | If judgment looms under every steeple |
| And she's three more steps behind | If (8) glances from lofty people |
| Does anybody hear her? | Can't see past her scarlet letter |
| Can anybody see? | And we've never even met her |
| Or does anybody even know she's (3) | We've never even met her |
| (4) today | Does anybody (9) her? |
| Under the shadow of our steeple | Does anybody see? |
| With all the lost and lonely people | Or does anybody even know she's going down today |
| Searching for the hope | Under the (10) of our steeple |
| That's tucked away in you and me | With all the lost and lonely people |
| Does anybody hear her? | Searching for the hope |
| Can anybody see? | That's tucked away in you and me |
| She is yearning | Does anybody hear her? |
| For shelter and affection | Does anybody see? |
| That she never found at home | Does anybody even know she's going down today |
| She is searching | Under the shadow of our steeple |
| For a hero to ride in | With all the lost and lonely people |
| To ride in and save the day | Searching for the hope |
| And in walks her prince charming | That's tucked away in you and me |
| And he knows just what to say | Does anybody hear her? |
| Momentary lapse of reason | Does anybody see? |
| And she gives herself away | He is running |
| Does anybody hear her? | A hundred miles an hour in the wrong direction |
| Can anybody see? | |
| Or does anybody even know she's going down today | |

- 1. depths
- 2. another
- 3. going
