

Fill in the gaps

Does Anybody Hear Her by Casting Crowns

She is running	That's tucked away in you and me
A (1) miles an (2) in the	Does anybody (16) her?
(3) direction	Can anybody see?
She is trying	If (17) (18) under every
But the canyon's (4) widening	steeple
In the (5) of her (6) heart	If lofty glances from lofty people
So she sets out on another misadventure just to find	Can't see (19) her scarlet letter
She's another two years older	And we've never (20) met her
And she's three more steps behind	If judgment looms (21) every steeple
Does anybody hear her?	If lofty glances from lofty people
Can anybody see?	Can't see past her (22) letter
Or does (7) even know she's	And we've never even met her
(8) (9) today	We've never even met her
Under the shadow of our steeple	Does anybody hear her?
With all the lost and (10) people	Does anybody see?
Searching for the hope	Or does anybody even know she's going down today
That's tucked away in you and me	Under the shadow of our steeple
Does anybody hear her?	With all the (23) and (24) people
Can anybody see?	Searching for the hope
She is yearning	That's (25) away in you and me
For (11) and affection	Does anybody hear her?
That she never found at home	Does (26) see?
She is searching	Does anybody (27) know she's going down today
For a hero to ride in	Under the (28) of our steeple
To ride in and save the day	With all the lost and lonely people
And in walks her prince charming	Searching for the hope
And he (12) just what to say	That's tucked away in you and me
Momentary lapse of reason	Does anybody hear her?
And she gives herself away	Does anybody see?
Does anybody hear her?	He is running
Can (13) see?	A hundred miles an hour in the (29) direction
Or does anybody even know she's going (14)	
today	
Under the shadow of our steeple	
With all the (15) and lonely people	
Searching for the hope
